PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

Response to Amendment

Drawings

1. The objection to the drawings as set forth in the prior Office action is withdrawn in response to Applicant's submission of corrected replacement drawings on 1/04/2008. However, the newly submitted drawings filed 1/04/2008 necessitates a new objection since Replacement Figure 5 removes most of the detail from the original Figure 5, see below:

Replacement Figure 5 submitted 1/04/2008:

Figure 5

Original Figure 5:

Figure 5

It is clear that the replacement Figure 5 lacks the level of detail provided in the original Figure 5. Appropriate correction is required.

2. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application for the reason given above. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Art Unit: 1633

3. The reply filed on 01/04/2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): See the objection to the Drawings above. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Janet L. Epps-Ford whose telephone number is 571-272-0757. The examiner can normally be reached on M-F, 10:00 AM through 6:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Woitach can be reached on 571-272-0739. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
